Decide what classes and sections you wish to enter. You may enter as many classes as you like, but only one entry in each section.
2. Be sure you read through the “Rules and Regulations” pages, as well as any specific rules and regulations pertaining to your class/section specifically. Entry and exhibit deadlines can be found at the beginning of each class.
3. Enter by printing off an entry form which you fill in and bring to the Fall Fair on the entry date. You may also call for an entry form 905-877-4726 or get one at the time of submission. There is a \$5.00 fee for entry and 10% of earning above \$10.00 is retained by the society.
4. **Registration Number and Tags** For a registration number and/or tags, call 905-877-4726 or get them upon arrival at the Fall Fair site. Registration numbers will be issued this year, and that number will be yours for as many years as you wish to enter.

6. Thank you for your support of the Homecrafts division. We hope you have as much fun and enjoyment from doing your projects, as we get from seeing them.

See you at the fair.
