TERMS AND CONDITIONS:

Booth Space and Construction

Booth placement is entirely up to the discretion of the site convener. Each vendor will set up, maintain, market, operate, take down and remove their own booth from the space provided to them.

Space is measured and assigned to you by the GAS site convener. Please remember that trailer hitches and tent pole guy line and pegs etc. are part of your space requirements. Extra support vehicles/trailers for supplies etc. must also be calculated in your space requirements.

Health Guidelines

Food Vendors must be licensed by the Town of Halton Hills as a Commercial Refreshment Vehicle (Crv) and pay a license fee of \$100 per event (www.haltonhills.ca/licenses). Not-for-profit groups, minor sport organizations and Food Businesses currently licensed with the Town of Halton Hills may be exempt from this fee. Please contact 905-873-2601 ext. 2350 for more information.

All lessees selling food must comply with all local Health Requirements (<http://www.halton.ca/For-Business/Food-Safety-for-Business/Requirements-for-Food-Vendors>). Please contact Public Health Inspector Nataliya Ostapovych (Nataliya.Ostapovych@halton.ca) or 905-825-6000 ext. 7819.

Remember each food vendor must provide their own hand washing stations for their own personnel. You will be inspected before the Fair by the Health Department to make sure you are selling only healthy, safe and clean food and it is your sole responsibility to meet all of their food preparation and cooking requirements of cleanliness. If, for any reason, they reject a food vendor from operating in the Fair, for failure to comply, it will be solely the responsibility of that food vendor, and there will be no refund on their rental fee or legal recourse against the Fair, as a result of their cancellation.

Fire Regulations Regarding Use of Cooking Equipment

Food vendors must be aware of the Halton Hills Fire Department rules regarding the operation of a food service facility in the park, especially in regard to the use of any propane or other cooking equipment. If, for any reason, they reject a food vendor from operating in the Fair, for failure to comply, it will be solely the responsibility of that food vendor, and there will be no refund on their rental fee or legal recourse against the Fair, as a result of their cancellation by the Fire inspector or any other regulatory agency.

Digging

You are financially responsible for breaking any hydro or underground water lines as a result of driving stakes or spikes into the park grounds to install your tent or booth.

Waste Water

Food vendors must have wastewater holding tanks and are not permitted to empty or drain the tanks on the grass.

Garbage, Site clean-up or Damage

Each vendor is responsible to manage and clean their site of all garbage throughout the Fair according to the Halton Regional Health Department Rules. Styrofoam and cardboard are not picked up by Halton Region at the park, and therefore must be recycled/disposed of by each vendor. The repair of the damages will be done by the Town of Halton Hills. The GAS will bill the offending vendor accordingly. Vendors agree to pay such bills immediately to avoid any further legal charges.

Driving in the Park

Driving in the park for setup, operation, take down and removal of your booth may be no faster than 5 km/h, and only 30 min. prior and 30 min. following the events hours of operation. Any vendor who breaks this rule may have their booth space cancelled without notice and their fee forfeited as liquidated damages to the Fair. Pedestrian safety is our highest priority.

Parking Rules

Your vehicles can only be parked in the designated area provided by the Fall Fair to you. Parking at your booth is NOT feasible due to space restrictions. Vehicles illegally parked in the park during the Fair will be ticketed and towed at the expense and liability of the registered owner. Be warned that the parking regulations will be strictly enforced by Halton Regional Police and the GAS accepts no responsibility whatsoever for any tickets received by any vendor during the Fair.

Rain or Shine

The Fall Fair will operate rain or shine according to the posted scheduled hours of operation. There are no refunds as a result of inclement weather.

Indemnification

Each vendor indemnifies the GAS, volunteers and the Town of Halton Hills from any litigation resulting from any loss or damage that they may incur as a result of their being accepted and operating a booth in the Fair. It is necessary for all vendors to sign a "Hold Harmless" agreement against all claims (demand, losses, costs, damages, actions, suits) on proceedings by any third party howsoever caused.
